

Bonamy House. St. Peter Port - Top flat for rent
<http://www.bonamy-house.com>

A couple of minutes walk from the town centre, with parking for 1 small car.

The flat is at the top of the house. It comprises: open plan sitting room/kitchen with appliances, bedroom, bathroom and a large balcony.

The flat is intimate and stylish, with a sensational view.

In the early morning the sun rises between the islands of Herm and Jethou shining directly into the sitting room and onto the large balcony. This balcony enjoys fine views of the islands and Castle Cornet, and on a clear day you can see the coast of France.

Rent is £1,100 pcm. on a yearly lease + 1 month deposit. The flat is unfurnished and would suit a quiet professional single or couple with references. Regrettably no children, pets or smokers. It is local market, but suitable for licence holders.

This flat will be vacant shortly after the 19th November.
